Further recommendation: Computer Museum HNF

The Heinz Nixdorf Museums Forum is the world's largest computer museum. Besides computer engineering and computer games, the exhibition shows the history of information and communication technology of the past 5000 years. With your semester ticket you can take bus no. 11 from the central station to the bus stop called "Museumsforum" directly located in front of the museum. You could also walk the way from the station. Students only need to pay €4, so please remember to bring your student ID.
